

Paul Clarry

**Vice President,
Facilities & Paramedical Services
Southlake Regional Health Centre**

Paul joined the senior administration team of Southlake Regional Health Centre in February 2002, following a 21-year career in the Ontario Public Service. During his public service career Paul held progressively responsible positions in the Ministry of Treasury and Economics, the Ministry of Finance and Management Board Secretariat. Immediately prior to joining Southlake, Paul spent almost 5 years providing leadership and direction to the Ministry of Health and Long-Term Care capital program.

Paul's responsibilities at Southlake include senior leadership with respect to the Hospital's infrastructure development, facility operations and paramedical services (Lab, Pharmacy and Diagnostic Imaging). Paul has supported the significant infrastructure transformation that has occurred at Southlake and is one of the leaders in helping develop a new multi-year development plan. Paul developed and led the implementation of a new service model for Support Services. Currently, Paul is leading efforts to address infrastructure, equipment and manpower needs across the paramedical portfolio in response to the growth in demand for clinical services across the hospital.

Paul continues to be involved in broad capital planning initiatives through the Ontario Hospital Association and through his many contacts in the hospital, government, consulting and contracting industries.
