

Life. Career. Balance.

SOUTHLAKE
REGIONAL HEALTH CENTRE

Experience it. **Only at Southlake.**

By far, some of the highest physician satisfaction scores in the healthcare field. Recent data by NRC Picker confirm that we are well on our way to providing the premium practice environment that you deserve:

- 95.8% of our physicians rate Southlake a quality hospital for their medical practice
- 94.4% of our physicians rate Southlake as a positive place to work

At Southlake, we've created something special ... A big city hospital that hasn't lost its community heart. A place where teamwork is the norm and new leaders are continually discovered. An environment where you can put your skills to work today, while advancing towards your goals for tomorrow. A collegial workplace focused on achieving work-life balance. If you are committed to excellence, passionate about making a difference, and looking for a place where your career can flourish, come join us.

Newmarket is located in York Region, part of the Central LHIN, on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. Residents of York Region enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

Southlake has a successful track record in joint clinical leadership in our major programs. This team approach creates a synergy of effort while allowing physicians adequate time for clinical commitments. Join our *shockingly excellent* medical team, and help us become a Regional Centre of Excellence in clinical care, teaching and research.

Non-Invasive Cardiologist

We are currently seeking a Non-Invasive Cardiologist with a special interest in Heart Function and Congestive Heart Failure Management. Southlake has a full cardiac and cardiac surgery program, including interventional cardiology, electrophysiology (ablation and implantation of pacemakers and defibrillators), TAVI, an advanced diagnostic imaging program, echo, CT angiography and MRI. The ideal candidate will have an interest in helping to build, develop and integrate our Heart Function Program with our Electrophysiology and Cardiovascular Chronic Diseases Management Programs.

Qualified candidates must be licensed or eligible for a licence to practise in Ontario. To join our dedicated team, please forward a letter of interest, along with your curriculum vitae, to:

Michele Skerratt
Medical Staff Affairs Specialist
Southlake Regional Health Centre
596 Davis Drive, Newmarket, ON L3Y 2P9
mskerratt@southlakeregional.org
Tel: 905-895-4521, ext. 2122
Fax: 905-853-2217

We thank everyone for their interest; however, only those selected for an interview will be contacted.
