

Life. Career. Balance.

SOUTHLAKE
REGIONAL HEALTH CENTRE

Experience it. **Only at Southlake.**

By far, some of the highest physician satisfaction scores in the healthcare field. Recent data by NRC Picker confirm that we are well on our way to providing the premium practice environment that you deserve:

- 95.8% of our physicians rate Southlake a quality hospital for their medical practice
- 94.4% of our physicians rate Southlake as a positive place to work

At Southlake, we've created something special ... A big city hospital that hasn't lost its community heart. A place where teamwork is the norm and new leaders are continually discovered. An environment where you can put your skills to work today, while advancing towards your goals for tomorrow. A collegial workplace focused on achieving work-life balance. If you are committed to excellence, passionate about making a difference, and looking for a place where your career can flourish, come join us.

Newmarket is located in York Region, part of the Central LHIN, on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. Residents of York Region enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

Southlake has a successful track record in joint clinical leadership in our major programs. This team approach creates a synergy of effort while allowing physicians adequate time for clinical commitments. Join our *shockingly excellent* medical team, and help us become a Regional Centre of Excellence in clinical care, teaching and research.

Complex Medical Rehabilitation Physician

The Department of Complex Medical Rehabilitation at Southlake has expanded to 77 beds and is recruiting a part-time physician to join the current staff of 7 physicians.

Qualifications include CCFP membership and recent experience in treating hospital in-patients or long-term care patients. Applicants need to have experience in providing care as a member of a multidisciplinary team and will have excellent interpersonal skills.

The patient population includes general rehab, neuro-rehab, complex medical, and transitional patients waiting for long-term care. The work load is about 10 in-patients with minimum visits of twice per week and participation in the Department of CMR on-call roster (1 in 8). Compensation is a combination of fee-for-service and stipends.

For more details, please contact Dr. E. Palermo, Chief of Complex Medical Rehabilitation, at 905-868-6101 or epalermo@southlakeregional.org.
