

# Life. Career. Balance.

**SOUTHLAKE**  
REGIONAL HEALTH CENTRE

## Experience it. **Only at Southlake.**

**At Southlake, we've created something special ...** A big city hospital that hasn't lost its community heart. A place where teamwork is the norm and new leaders are continually discovered. An environment where you can put your skills to work today, while advancing towards your goals for tomorrow. A collegial workplace focused on achieving work-life balance. If you are committed to excellence, passionate about making a difference, and looking for a place where your career can flourish, come join us.

Southlake has some of the highest physician satisfaction scores in the province. The latest data by NRC Picker confirms that we are providing the premium practice environment that you deserve.

Newmarket is located in York Region, part of the Central LHIN, on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. Residents of York Region enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

## Interventional Cardiologist

Southlake is seeking an experienced Interventional Cardiologist who is currently actively involved in Transcatheter Aortic Valve Implantation (TAVI). The preferred candidate will be an experienced TAVI operator ideally with expertise in structural heart CT scan analysis and interpretation.

The successful candidate will join a dynamic Interventional Cardiology Team with a growing Structural Heart Program consisting of 2 Interventional Cardiologists, 3 Cardiac Surgeons and an engaged Cardiac Anesthesia team. Expertise in other structural heart procedures including mitral valve intervention, left atrial appendage occlusion, treatment of patent foramen ovale, atrial septal defects, and paravalvular leaks will enhance our expanding program.

Southlake is a Ministry of Health and Long-Term Care designated and funded Regional Cardiac Program, serving 1.5 million people and 10 hospitals in the fast growing York and North Simcoe Muskoka regions. Southlake's full-time Cardiac Medical Staff includes 5 Cardiac Surgeons and 24 Cardiologists, with groups sub-specializing in Interventional, CTO/CHIP, Electrophysiology, Invasive and Non-invasive Cardiology.

Southlake is a high volume centre performing 6,500 catheterizations, 2,400 angioplasties, and 550 primary PCI cases per year with recent expansion from 2 to 3 catheterization labs. The position also includes practice privileges at the Royal Victoria Hospital in Barrie, Ontario, an affiliated stand-alone PCI centre for which Southlake is the mentor site.

The successful candidate must hold or be eligible to hold an Independent Practice licence with the College of Physicians and Surgeons of Ontario and be Royal College certified.

To join our team, please forward a letter of interest and your curriculum vitae to:

**Michele Skerratt**  
**Medical Staff Affairs Specialist**
