Patient Preparation and Information

PATIENT PREPARATION:

1. All patients will have pre-procedural blood work done prior to procedure – obtain a requisition from your physician. Blood work should be done no more than 7 days prior to procedure.
2. Please review ALL of your medications with your physician or health care provider.
3. Blood thinning medications may need to be held prior to the procedure. Consult with your physician or health care provider.
4. Bring all your medications with you on the day of your pre-op visit and/or procedure.
5. Patients should not have anything to eat or drink for at least 4 hours prior to procedure unless otherwise instructed.
*** Do not take diabetic medications. Take all other regular medications with sips of water. ***
6. All patients must have a responsible adult drive them home following the procedure unless otherwise instructed.

Incomplete preparation will usually require rescheduling of your procedure / treatment.

PATIENT INFORMATION:

- **Bring your Ontario Health Card.**
- Upon arrival you are required to register for your appointment at the East Welcome Centre and then you will be given directions on where to proceed to next.
- If you are unable to keep your appointment, please call Patient Scheduling at 905-895-4521, ext. 2665.
- Depending on the type of procedure you are scheduled for, you may be required to be at the hospital for up to eight (8) hours. This time includes preparation time, procedure time, and recovery time.
