

Our People Promise

To Help You Grow

By offering:

- education and personal development opportunities
- educational assistance and tuition reimbursement funding programs
- opportunities to openly discuss, develop and achieve long-term career goals
- opportunities for flexible work schedules
- wellness and quality of work life programs
- qualified educators to support each clinical program
- forums to share feedback and discuss opportunities for improvement

To Nurture Your Success

By offering:

- valued and ongoing recognition
- meaningful rewards
- opportunities to champion or participate in projects in order to develop additional skills and abilities
- competitive salaries and benefits

To Ensure We Are Ready for the Future

By committing to:

- continuously explore and discover better ways to deliver patient care in order to achieve our Vision of excellence
- develop and live our Values
- recruit the best people and to value them in meaningful ways
- honour our reputation as a caring and compassionate hospital by supporting the delivery of patient and family centred care
- develop determined, innovative and accomplished teams
- nurture and encourage the inherent desire we all possess to be the best we can be!

Strategic People Plan
To mobilize the human potential at Southlake Regional and honour our corporate Vision, as it is our people who will make us successful.

Corporate Vision

Collectively, we are entrusted with and committed to providing comprehensive health care. We recognize and support the development of the emotional and intellectual assets of our people. We will promote shockingly excellent service to achieve the best possible outcomes for our customers.
